## "Miamica" Tampon Cases!

Wednesday, November 29, 2006

In case you missed it, yesterday we had the "embarrassing tampon conversation"; you know, when your purse accidentally spills your unmentionables when you least expect it! Well, I got an e-mail from my friends at "Miamica"- they create fashionable cases to discreetly hide our tampons, with trendy sayings like "Don't Cramp My Style" "Moody Diva" "Need Chocolate" "Gimme Sugar", etc. They also have a 1-year cycle-tracker calendar inside to keep track of your period. They're sold at [www.shopintuition.com](http://www.shopintuition.com) and cost just \$8!!! Save yourself the embarrassment; head over there today and pick one up!
